

FRA NORTH WEST LTD

SERVING BOLTON AND MANCHESTER

Health and Safety Policy for FRA North West Limited (2024)

1. Introduction

FRA North West Limited is committed to ensuring the health and safety of all its employees, contractors, and the public. We specialise in fire risk assessments and survey sites across a wide range of sectors. This policy outlines our approach to managing risks associated with our operations.

2. Policy Statement

We are committed to providing a safe and healthy working environment for our employees and anyone affected by our activities. We will do this by adhering to the requirements of the Health and Safety at Work Act 1974 and associated regulations.

3. Responsibilities

Management is responsible for implementing this policy and ensuring that health and safety considerations are always given priority in planning and day-to-day supervision of work.

All employees and contractors are expected to cooperate with us in carrying out this policy and must ensure that their own work, so far as is reasonably practicable, is carried out without risk to themselves or others.

4. Risk Assessments

We will carry out and regularly review risk assessments to identify hazards and work towards eliminating or controlling those risks.

5. Training

We will provide all employees with the necessary information, instruction, and training to fully meet the requirements of this policy.

6. Insurance

We have in place public, employer, and professional indemnity insurance to cover our legal liabilities.

7. Review

This policy will be reviewed annually and updated as necessary to reflect changes to our operations and any changes in legislation.

This policy is in force throughout 2024 and it is the duty of all employees to abide by it.
